THE 46. INTERNATIONAL KZ RALLY 9.-11. AUGUST 2013 @ STAUNING (EKVJ), DK

Much more updated information in DA / EN / GE on www.kzrally.dk

We are back - stronger than ever - and we have ordered nice summer weather for you! In this wonderful late summer weekend you can experience a warm, cozy and eventful fly-in and airshow at rural Stauning Airport.

You are most welcome to join us on **Friday 9th**, park your "bird" together with other interesting aircraft, pitch your tent or use more comfortable accommodation. In the evening, a nice hangar dinner is ready with entertainment by a live band. Alternatively, you might visit the local jazz festival and mingle with the happy crowd. By clear weather, you'll have a first-row viewpoint for the Danish Championship of Fireworks over the fiord.

On **Saturday 10th** you may enjoy a visit to the very interesting local civil and military aircraft collection and a reasonably priced nice meal. Visit with other pilots and meet the enthusiastic Danish aircraft spotters.

During Saturday afternoon, you can look forward to a large-scale airshow with a dreamteam of three smoking T-6 Harvards from Sweden, RDAF jets and helicopters, pleasure flights with the Danish DC-3, demo of the new Carbon Cub from Cub Crafter's distributor in Ireland, presentation of the agile Cabri helicopter as well as displays of numerous vintage and

homebuilt aircraft (motorized and gliders) - including an almost complete airborne fleet of the Danish KZ-aircraft. A flying professor will show his display routine in his agile Fougca Magister. The Danish aerobatic champion will do a great show in his Giles-202. There will be a WWII camp with tents, airplanes, vintage cars and equipment, and you might stroll along exhibitions with aircraft-related products and homebuilder's workshops. During this specific day, the airport offers a discount on LL100 fuel.

In the evening, we hope you will participate in our hangar party with good food and great music - during which the prizes for the best restored aircraft and the furthest flight to the fly-in will be awarded. And there is still more jazz to listen to in the neighbourhood.

After breakfast on **Sunday 11th**, we say goodbye and hope to see you again next year.

The 46. Int. KZ Rally is arranged by KZ & Veteranfly Klubben and Danmarks Flymuseum in co-operation with Ringkøbing Fjord Jazzfestival. The concept is completely overhauled compared to previous years, and all the good elements have been enhanced for the benefit of the participants.

PLEASE NOTE - When attending our fly-in, remember to have your personal log-book ready for inspection due to EASA regulations!
