We continue the huge success from 2013!

In this wonderful late summer weekend you can experience a warm, cozy and eventful fly-in and airshow at rural Stauning Airport - combined with good food, lots of free jazz festival music and the proximity of a very interesting aircraft museum!

Denmark is a very beautiful goal for a flying holiday. Don't miss our beautiful islands like Læsø, Anholt, Samsø, Endelave, Ærø, Als, Møn and Bornholm with well-situated grass runways.

You are most welcome to join us during **Thursday 7th**, park your "bird" together with other interesting aircraft, pitch your tent or use more comfortable accomodation.

Friday 8th might be spent airborne over the very nice scenery of West Jutland with twinkling fiords, sandy dunes, deep-blue sea, purple heaths and harvest-ready farmland. In the evening, a nice hangar dinner is ready with entertainment by a live band. Alternatively, you might visit the local jazz festival and mingle with the happy crowd.

On **Saturday 10th** you may enjoy a visit to the very interesting local civil and military aircraft collection and a reasonably priced nice meal. Visit with other pilots and meet the enthusiastic Danish aircraft spotters. During Saturday afternoon, you can look forward to a large-scale **Stauning Airshow** with a varied dreamteam of warbirds, RDAF jets and helicopters, pleasure flights with the Danish DC-3 (celebrating its 70th birthday) as well as displays of numerous vintage and homebuilt aircraft (motorized and gliders) - including an almost complete airborne fleet of the Danish KZ-aircraft. There will be a WWII camp with tents, airplanes, vintage cars and equipment, and you might stroll along exhibitions with aircraft-related products and homebuilder's workshops. Up to 4000 spectators are expected. In the evening, we hope you will participate in our hangar party with good food and great music - during which the prizes for the best restored aircraft and the furthest flight to the fly-in will be awarded. And there is still more jazz to listen to in the neighbourhood.

After breakfast on **Sunday 11th**, we say goodbye and hope to see you again next year.

The 47. Int. KZ Rally is arranged by KZ & Veteranfly Klubben and Danmarks Flymuseum (Danish Aircraft Collection) in co-operation with Ringkøbing Fjord Jazzfestival.
